THE VESSEL

A *nearly-new weekend cruiser* — comfort, practicality, and style for day trips and overnights alike.

This 2023 Quicksilver 675 Weekend blends comfort, practicality, and style for new and experienced boaters alike. Lightly used and presented in excellent condition throughout, Moby Dick is the rare opportunity to step aboard a nearly-new cruiser without the wait.

The layout is built for day cruising and overnight stays: a comfortable saloon converts to a berth with in-fill cushions, and an enclosed heads compartment houses a manual toilet. The galley is neatly equipped with a sink and tap, refrigerator, and ample storage for weekends away.

The helm is well-appointed with a Simrad chartplotter, Lowrance VHF, Mercury engine dials, and a double USB charger, all paired with a comfortable bolster seat. A Webasto heating system, interior curtains, an opening roof hatch, and full surround canvas keep her comfortable in any weather, while the cockpit offers a table, cushioned seating, and rod holders for relaxed days on the water.

VESSEL HIGHLIGHTS

— Mercury 175hp outboard — low hours	— Saloon converts to an overnight berth
— Enclosed heads with manual toilet	— Galley — sink, tap & refrigerator
