THE VESSEL

A *turn-key Yamaha jet boat* — twin-engine performance and effortless day-boat versatility.

The Yamaha 252SE is the do-everything Pacific Northwest day boat — twin Yamaha 1.8-liter High Output jet engines deliver quick, confident performance with no outboard to clutter the swim platform. This 2022 example is presented in turn-key condition, ready for summer on the water.

Jet propulsion means a shallow draft, easy beaching, and a wide-open swim platform with integrated sundeck and reboarding ladder — ideal for swimming, watersports, and rafting up. The helm centers on Yamaha's Connext touchscreen with cruise assist and No Wake Mode for low-speed control.

Seating wraps the cockpit and bow for a full crew, with a filler cushion to convert the bow to a sun lounge. A premium audio system, bimini top, and ample stowage round out a boat built to make the most of short Northwest seasons.

VESSEL HIGHLIGHTS

— Twin Yamaha 1.8L High Output jet engines	— Yamaha Connext touchscreen helm
— No Wake Mode & cruise assist	— Integrated swim platform with sundeck
— Reboarding ladder & transom shower	— Bow filler cushion — converts to sun lounge
— Premium audio system	— Bimini top & full canvas
— Shallow-draft jet propulsion	— Wraparound cockpit & bow seating
